

## Phase 1

Front body section with light boxes bonded in place.  
Front hatch panel.  
Rear body section with light boxes, inner wheel arches and bulkheads bonded in place.  
2 x Double skinned doors.  
2 x Door pocket mouldings.  
Double skinned roof centre section.  
2 x Side sill mouldings.  
Chassis with all mountings and brackets welded in the correct position.  
2 x Upper front wishbones.  
2 x Lower front wishbones.  
4 x Rear radius arms.  
2 x Rear top links.  
2 x Rear 'A' frames.  
2 x Rear uprights.  
4 x Rear radius arm 'U' brackets.  
6 x Rear suspension rose joints.  
Fasteners (nuts and bolts etc).  
Construction manual.  
Painted and sand blasted in black  
Single vent front hatch

40-4 Aluminium floor pan CNC cut to shape  
40-5 Aluminium panel set CNC cut to shape  
40-6 3/4" polished aluminium angle 13'  
40-7 500 Aluminium sealed pop rivets  
40 7A Riv Riv nut set  
40-8 Polyurethane sealant 1 off  
Build up stands (if they have wheels)  
40-10 Complete suspension package  
40-12 Coil over adjustable shock absorbers  
40-13 Front and rear anti roll bar kits

### Phase 1.5

- 40-46 Alloy fuel tanks. ( Internal baffles ) (pair)
- 40-14 Steering column centre shaft with quick release boss.
- 40-15 Steering rack. ( R.H.D. )
- 40-17 Steering rack mounting kit.
- 40-18 Track rod ends. (pair)
- 40-19 Steering coupler.
- 40-20 **Replica Steering wheel ( leather ) with replica boss. Choice of 13" or 15" diameter Gulf Wheel**

### Phase 2

- 40-21 Brake / clutch pedal assembly. (bias adjustable)
- 40-22 Brake master cylinder and level sensor (bias adjustable) Each. 2 x req.
- 40-23 Clutch master cylinder with clevis.
- 40-24 Front 4 pot brake kit including calipers, brackets, discs, pads and fixings.
- 40-25 Rear 4 pot brake kit including calipers, brackets, discs, pads and fixings.
- 40-26 Remote brake servo. ( 2 required ) £225 each
- 40-27 Brake servo fitting kit. ( pair )
- 40-28 Brake / clutch pipe unions and bulkhead fittings.
- 40-29 Brake / clutch pipe set with clips.
- 40-30 Brake light switch.
- 40-31 Brake / clutch flexible braided hose set. ( 5 hoses )
- 40-31 Clutch slave cylinder.
- 40-33 Handbrake lever.
- 40-34 Handbrake cables. (pair)
- 40-35 Handbrake compensator with fittings.
- 40-36 Accelerator pedal.
- 40-37 Accelerator cable.
- 40-39 Aluminium radiator. High performance.
- 40-40 Twin radiator fan kit.
- 40-41 Radiator water pipe set including all silicone hoses, brackets and clips.
- 40-42 **Heater system including on/off valve and trunking with vents.**

returned

- 40-43 Heater water hose set and clips.
- 40-44 Large capacity alloy header tank and cap.
- 40-45 90 degree thermostat housing. ( Ford 302 )
- 40-47 Fuel tank filler necks and pipes. (pair)
- 40-48 Fuel filler cap. (each) Made to the original shape and size. Ech £275
- 40-49 Competition fuel pump with unions. (each)
- 40-50 Fuel filter. (each)
- 40-51 Fuel tank sender units. (pair)
- 40-53 Braided fuel hose kit. ( single pump and filter )

**Sub Total**

**Phase 3**

- 40-55 Ford 302 small block V8 engine. with alloy heads developing 350 BHP, supplied ready to run with IVA date certificate.
- 40-56 5 speed UN1 transaxle, RH change, modified 2nd & 3rd gears and drilled out oil ways.
- 40-59 Engine mounts. (pair)
- 40-60 Gearbox mounts. (pair)
- 40-61 Cast Aluminium bellhousing to convert Renault 20/21/25 and 30 gear boxes to Ford. 289/302 and 351W engines complete with first motion shaft
- 40-62 H/D clutch kit including centre plate, cover plate, & release bearing.
- 40-63 H/D starter motor for bellhousing.
- 40-64 CV joint adaptors. ( Renault to Granada ) (pair) ????????
- 40-65 Rear drive shafts. (pair)
- 40-66 CV joints complete including drive shaft circlips, washers and bolts. (set of 4)
- 40-67 Right hand rod type gear linkage complete including selector lever and all fixings. (please state 4 or 5 SPD)
- 40-67B Reverse Lockout mechanism.
- 40-68 Ford V8 exhaust system (full cross over) looks and sounds like the original GT40. Systems feature a unique No. 7 pipe which results in greater €
- 40-69 Exhaust header pipe welds polished out.
- 40-70 Exhaust heat shield in stainless steel.
- 40-71 Aluminium asbestos cloth. ( 1 SQ Metre )
- Wheels
- Tyres

### Phase 3.5

- 40-134 Air conditioning system complete with built in heater unit.
- Bulkhead Braces
- Handbrake Kit

### Phase 4

- 40-72 Front and rear body mount bars with fixings.
- 40-73 Door hinges with fixings. (pair)
- 40-74 Front screen with black border. 'E' marked.
- 40-75 Front screen fitting kit including seals and adhesive.
- 40-76 Glass rear bulkhead window ( 'E' marked) with mounting frame
- 40-77 Impact resistant window/light cover pack including side windows with opening flaps, rear window and headlight / spotlight covers all formed t
- 40-77A Glass rear window with black border. 'E' marked.
- 40-78 Front and rear body section stays.
- 40-79 Rear body section hinge cover in Aluminium.
- 40-80 Rear body louvered engine cover panel in polished aluminium with fixings.
- 40-81 Rear body louvered back panels in polished aluminium with fixings. (pair)
- 40-82 Replica dash demister grille as original
- 40-83 Replica exterior door handles. ( polished alloy ) (pair)
- 40-84 Door handle recess mouldings, catches, strikers, polished interior release handles, pushrods and return springs complete with all fixings. (pair)
- 40-85 Door lock barrels. (pair)
- 40-86 Front & rear body section over centre catches in stainless steel with fixings. (set of 4 )
- 40-87 Front and rear body section locators. ( set of 8 )
- 40-87A Side sill rubber strip
- Winged Dzus fasteners. ( set of 6 )
- 40-88A Front body section bonnet stops (pair)
- 40-89 Rear body section bonnet pins (chrome) with brackets. (pair)
- 40-90 Panel locks. (pair)

Hartwells

40-91	Racing wing mirrors. (chrome on Brass) (pair)	
40-92	Windscreen wiper motor, drive cable, spindle, stainless steel wiper arm and blade.	
40-93	Windscreen washer kit including container, pump, tubing and jets.	
40-94	Door seals. (pair)	
40-95	G.R.P front / rear light box rear cover panels. (set of 4)	
40-97	Door top cap strips (prevents door top lift at high speeds, as fitted to all original GT40's. (pair)	
40-99	Front and rear air intake grilles. (set of 4)	
40-100	Radiator mesh.	
40-103	Full and complete wiring harness including fuse box, relays, battery leads and hazard lights circuit. Harness is made to measure and supplied fu	
40-104	Front headlight units with bulbs. (pair). includes side lights.	
40-105	Front headlight mounting frames. (pair)	
40-106	Front driving light units with bulbs. (pair) rectangular Lower?? Front indicator lights with bulbs.glass flush fitting (pair)	
40-108	Rear tail lights (as original) with bulbs. (pair)	
40-109	Rear number plate lights with bulbs. (pair)	
40-110	Rear fog light with bulb.	
40-111	Rear reverse light with bulb.	
40-112	Complete set of dash switches (Lucas as original) set of 12, including hazard lights, brake test switches and dash warning lights.	
40-113	Full set of dash instruments including 220 mph electronic speedo, V8 tacho, oil pressure, water temperature, volts and fuel gauges with sensori	
40-114	Oil temperature gauge with sensor.	
40-115	Speedometer drive cable. Is this needed with electronic speedo?	
40-116	Alternator for 302/347 engine.	
40-117	Alternator mounting kit with belt for 302 engine.	
40-119	G.R.P battery box moulding with seal and fixings.	
40-120	Horn.	
40-121	Interior G.R.P panel set including water pipe cover, gear linkage cover and water pump pulley cover.	
40-122	GRP dash moulding RHD or LHD.	
40-122A	Dash end door closure panels. (pair) Interior trim pack including carpet set, door trim panels, handbrake gator and door check straps in a choice of colours with leather	Black Carpets
40-129	Replica seat with brass rings in black leather. (£650 each) webbed base for comfort.
